40 CFR Part 52

[EPA-R09-OAR-2012-0904, FRL- 9846-5]

Approval and Disapproval of Air Quality State Implementation Plans; Arizona; Regional Haze and Interstate Transport Requirements

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule; correction.

SUMMARY: EPA is correcting the preamble to the final rule that appeared in the Federal Register on July 30, 2013. This final rule partially approved and partially disapproved a portion of Arizona's State Implementation Plan (SIP) to implement the regional haze program for the first planning period through 2018. The final rule preamble inadvertently misstated the effective date of the rule under the Congressional Review Act and the deadline for filing of petitions for judicial review of the rule under section 307(b)(1) of the Clean Air Act. This document corrects those errors and clarifies that the rule was signed by the Acting Regional Administrator for EPA Region 9.

DATES: This rule is effective on August 29, 2013.
